

Afficher l'historique de vos achats sur le portail site web

Le module `portal_pos_order_amount` permet d'afficher plus d'informations pertinentes concernant les ventes sur le portail web.

Ainsi, il permet d'ajouter dans les détails de votre compte, l'historique et le montant total de vos achats sur le portail du site Web

The screenshot displays a web portal interface. At the top, there is a navigation bar with a logo 'Your logo' and several menu items: 'Accueil', 'Boutique', 'Événements', 'Membres', 'Contactez-nous', and 'Devenir coopérateur (personne physique)'. A user profile dropdown menu is open, showing 'Administrator' and options for 'Mon compte' (highlighted with a red box) and 'Déconnexion'.

On the left, under the heading 'Vos documents', there is a list of document types with their respective counts:

Document Type	Count
Devis	2
Bon de commandes	2
Bons de commande	9
Factures	5
Vos demandes de libération de capital	2
Projets	1
Tâches	1

On the right, under the heading 'Vos détails', there is a section for 'Administrator' with various details like location (X, X, X, X, Belgique) and contact information (X, admin@example.com). Below this, there is a section for 'Your Eaters' stating 'You have no eaters'.

At the bottom right, there is a section for 'Purchases' (highlighted with a red box) showing 'You have purchased a total amount of 0.' and a table with columns 'Year' and 'Amount'.

Below the 'Purchases' section, there is a heading 'Vos données de coopérateur'.

Ce module nécessite l'installation des modules `portal` et `point_of_sale`
