

# Afficher l'historique de vos achats sur le portail site web

Le module `portal_pos_order_amount` permet d'afficher plus d'informations pertinentes concernant les ventes sur le portail web.

Ainsi, il permet d'ajouter dans les détails de votre compte, l'historique et le montant total de vos achats sur le portail du site Web

The screenshot displays a web portal interface. At the top, there is a navigation bar with a logo 'Your logo' and several menu items: 'Accueil', 'Boutique', 'Événements', 'Membres', 'Contactez-nous', and 'Devenir coopérateur (personne physique)'. A user profile dropdown menu is open, showing 'Administrator' and options for 'Mon compte' (highlighted with a red box) and 'Déconnexion'. The main content area is divided into two sections. On the left, under 'Vos documents', there is a list of document types with counts: 'Devis' (2), 'Bon de commandes' (2), 'Bons de commande' (9), 'Factures' (5), 'Vos demandes de libération de capital' (2), 'Projets' (1), and 'Tâches' (1). On the right, under 'Vos détails', there is a section for 'Administrator' with location and contact information. Below this, a section titled 'Your Eaters' states 'You have no eaters'. A red box highlights the 'Purchases' section, which shows 'You have purchased a total amount of 0.' and a table with columns 'Year' and 'Amount'. At the bottom right, there is a section titled 'Vos données de coopérateur'.

Purchases	
You have purchased a total amount of 0 .	
Year	Amount

Ce module nécessite l'installation des modules `portal` et `point_of_sale`
