

Afficher l'historique de vos achats sur le portail site web

Le module `portal_pos_order_amount` permet d'afficher plus d'informations pertinentes concernant les ventes sur le portail web.

Ainsi, il permet d'ajouter dans les détails de votre compte, l'historique et le montant total de vos achats sur le portail du site Web

The screenshot shows a user profile page for an administrator. The page has a navigation bar with 'Your logo' and links for 'Accueil', 'Boutique', 'Évènements', 'Membres', 'Contactez-nous', and 'Devenir coopérateur (personne physique)'. The user is logged in as 'Administrator'. On the left, there is a 'Vos documents' section with a list of items and their counts: Devis (2), Bon de commandes (2), Bons de commande (9), Factures (5), Vos demandes de libération de capital (2), Projets (1), and Tâches (1). On the right, there is a 'Vos détails' section with a dropdown menu showing 'Mon compte' and 'Déconnexion'. Below this, the user's name 'Administrator' is shown along with location information (X, X, X X, Belgique) and contact information (X, admin@example.com). The 'Your Eaters' section shows 'You have no eaters'. The 'Purchases' section is highlighted with a red box and shows 'You have purchased a total amount of 0.' Below this is a table with columns 'Year' and 'Amount'. At the bottom, there is a section for 'Vos données de coopérateur'.

Ce module nécessite l'installation des modules `portal` et `point_of_sale`
