

Define the status of the cooperator / worker

[French version](#)

Wenn du genügend [Zugriffsrechte](#) hast, ist es möglich, eine Übersicht über alle Arbeiter, ihre Zähler und andere Informationen, die für die Schichtverwaltung benötigt werden, zu erhalten.

- Gehe zu **Shift Management** < *Status* < "Mitglieder Status".

The screenshot shows the 'Gestion des shifts' application interface. The top navigation bar includes 'Planning', 'Travailleurs', 'Attendance Sheets', 'Modèles', 'Statut', and 'Configuration'. The 'Statut' tab is active, displaying the 'Statut du coopérateur' page. A red arrow points to the 'Statut du coopérateur' dropdown menu, which lists 'Statut du coopérateur', 'Raison d'exemption', and 'Journal de mise à jour des compteurs'. Below the menu, there are buttons for 'Créer' and 'Importer'. The main table lists cooperators with columns for 'Cooperator', 'Super Cooperative', 'Regular shifts counter', 'Compensation shifts counter', 'Extension Days NB', 'Holidays Start Day', and 'Holidays End Day'. Two cooperators are listed: Isabelle Piette and Stéphanie Charles - Dobias, both with zero counts and no extension days or holidays.

<input type="checkbox"/>	Cooperator	Super Cooperative	Regular shifts counter	Compensation shifts counter	Extension Days NB	Holidays Start Day	Holidays End Day
<input type="checkbox"/>	Isabelle Piette	<input type="checkbox"/>	0	0	0		
<input type="checkbox"/>	Stéphanie Charles - Dobias	<input type="checkbox"/>	0	0	0		

- Wähle einen Arbeiter aus und finde in seiner Akte alle Informationen, die zur Verwaltung seiner Schichten notwendig sind.
